NEW PRODUCT: 50-1492 Kit

The new 50-1492Kit includes the Pro-Cut reach extension plate with three sets of stand-offs.

This kit is designed to work with the **50-935 adapter**, which is primarily used for 1-ton dual-wheeled vehicles. The extensions allow enough reach to work on dual-wheeled vehicles and the 50-1492 plate allows enough cutting head reach to resurface the rotor deep within the wheel well. This kit is ideal for use in shops that service larger vehicle platforms.

- 50-005 Hex Standoffs
- 50-007 Hex Standoffs
- 50-009 Hex Standoffs
- 50-1492 Large reach-extension plate

Kit Contents:

- 50-005 Hex standoffs 14mm x 1.5 set of 5
- 50-007 Hex standoffs 9/16" x 18 set of 5
- 50-009 Hex standoffs 14mm x 2 set of 4
- 50-1492 Large reach-extension plate to allow for working on dual-wheeled vehicles

Contact the Pro-Cut Service Department at 800.543.6618, Prompt #2, with any questions.

Note: Standoffs are meant for use with 50-935 adapter.
